

This is what **Mother's Day** in Haiti looks like

This Mother's Day, delight the heart of the women you love by honoring them with a gift certain to please them more than a bouquet of flowers ever will. A life-saving, life-giving gift that will save lives and bring hope to other women and families.

A \$50 donation in the name of your loved one will go toward the purchase of one Sawyer SP180 filter system that will have a direct impact in the lives of other women and their children in Haiti.

MAKE A DIFFERENCE TODAY.

Join Water=Life in its mission "to nurture the human spirit through the gift of clean water"! Visit waterequalslife.org.

To make a donation, visit WaterEqualsLife.org to donate via PayPal, or make out your tax-deductible check to **Water=Life** and mail to P.O. Box 295, Alden NY 14004.

Saving communities one  drop at a time.
